Singles Challenge Ladder

REDUCED COURT RATES FOR SINGLES PLAY. SET UP MATCHES AT YOUR OWN CONVENIENCE.

We have had an overwhelming number of requests again this year for singles leagues/match play. Last year we started this flexible ladder play and had over 30 male and female participants. Simply mark **HERE** _____ if you are interested, fill out the Information below and we will place your name on the Adult Singles Ladder. You will only need to pay a special reduced court rate fee of \$12.00/Pass Holder or \$16.00/Non-Pass Holder that will cover 1 1/2 hours of court time and balls. Cheaper than regular court rates and the opportunity to work on your singles match play game and position yourself for a seed in the Adult Indoor Club Championships to be held in February. All matches will be 8 game pro-sets. If the match does not finish in the allotted time and the score is still tied you must play a 12 point tie-breaker (first to 7 winning by 2) to determine the winner. If time is running out and one player is up a break they will be declared the winner at the end of court time. Players of all levels will initially be placed on the ladder in the order we receive registration. New players added to the ladder after September 6th will begin play at the bottom of the ladder and work their way up. Rules are simple: 1)You may challenge up as many as 5 spots on the ladder. 2)The person you challenge has 2 weeks to play you or they automatically lose by forfeit. 3)You must play at least one match every month either by being challenged or challenging someone else. If you fail to do so you will drop 5 spots. 4)If a challenger wins the match they take their opponents spot and the opponent drops one spot on the ladder. 5)If the challenger loses both players maintain their spot. 6)Ladder play will have male and female players combined unless league size dictates separate divisions are necessary.

League Substitute Policy: All league participants are responsible for finding their own subs. A sub list will be made available. IF you are having difficulty finding your own sub you may call our League Coordinator, Nancy Brockley, at (402)441-7095 as a **LAST OPTION**. Some leagues have their own coordinator and you must contact them if you are in need of a sub. All participants pay for the entire session and if a sub is needed they will play for free unless you would like them to reimburse you directly for the cost of play.

League Registration

If you are interested in playing in a league we ask that you simply fill out this form and check off the leagues you are interested in playing. League space is limited depending on time and court availability. Once we have your registration information someone at Woods or one of the individual league coordinators will contact you regarding fees. League coordinators please contact Nancy Brockley for your individual league fee total with pass, without pass, and with or without balls. Payment is appreciated at the start of league or before.
