Flex Leagues are the new wave of singles leagues across the country. This format is similar to the successful ABTL during the summer months in Lincoln. Players sign up for the league and are given opponents that they must schedule a match time with that works for both each week. Know you are going to be out of town a certain week? No problem. Simply schedule the match in advance if possible or make sure to make it up by the end of the session. It is important that all matches are scheduled the week prior to play to make sure that court time is available. The best part about this league is that you pay the league fee at a rate that is cheaper than normal singles court time for an hour and a half. All matches will be 8 game pro-sets. If the match will not finish in the allotted time and the score is still tied you must play a 12 point tie-breaker to determine the winner. If time is running out and one player is up a break they will be declared the winner at the end of court time.

**League Substitute Policy:** All league participants are responsible for finding their own subs. A sub list will be made available. IF you are having difficulty finding your own sub you may call our league coordinator, Nancy Brockley, at 441-7095 as a last option. Some leagues have their own coordinator and you must contact them if you are in need of a sub. All participants pay for the entire session and if a sub is needed they will play for free unless you would like them to reimburse you directly for the cost of play.

## League Registration

If you are interested in playing in a league we ask that you simply fill out this form and check off the leagues you are interested in playing. League space is limited depending on time and court availability. Once we have your registration information someone at Woods or one of the individual league coordinators will contact you regarding fees. League coordinators please contact Nancy Brockley for your individual league fee total with pass, without pass, and with or without balls.
